

OTAGO POLYTECHNIC ACADEMIC POLICY		Number: AP0910.00
Title:	Assessment Committee	
Subject Group:	9 Assessment and Moderation	
Chief Executive Approval:	Date of Approval: 20 June 2014	Effective Date: 20 June 2014
Previous Policy No:	na	Review Date: As required
Contact Authority:	Director: Quality	Status: CURRENT

Purpose To set out policies and procedures for assessment committees.

Compliance Otago Polytechnic Policy AP0900 Assessment
NZQF Consent and Moderation Requirements (CMRs)

Policy

- Each College / School / Programme will have an assessment committee which is responsible for monitoring and implementing Otago Polytechnic assessment policies. These include but are not restricted to:
 - AP0908 Moderation of Assessment
 - AP0501 Recognition of Prior Learning
 - AP1008 Student results
 - AP0600 Academic Appeal Process for Students
 - AP0903 Grade tables
 - AP0901 Students with Disabilities: Circumstances for Assessment.
- Membership of the assessment committee will comprise:
 - Chairperson
 - Deputy chairperson
 - Student representatives (one or one from each year of degree programme) involved in post moderation issues in all papers and pre moderation of student information and assessments for those papers in which the student is not enrolled only
 - Lecturers from within the college/school (ranging from 2 - 5)
 - Lecturer from another college/school/programme
 - Administrator – minute secretary

The assessment committee will:

- Monitor/moderate each assessment to ensure that it reflects the outcomes of the course and the appropriate criteria including marking schedule and model answers are in place to enable consistent application of the assessment.
- Consult with the course coordinators to ensure that a moderation process is in place for each assessment.
- Ensure that moderation processes are established which can ensure that the assessment processes are valid, reliable and fair.
- Ensure external moderation requirements are met.
- Monitor the quality and congruence of assessment processes within courses to ensure:
 - validity, reliability and usability of assessments
 - compatibility with philosophical intent of the curricula
 - range of assessment minimizes opportunities for cheating
- Manage appeals and unusual situations by considering and deciding on applications for :
 - aegrotat pass or impaired performance
 - extra time during examinations and variations to conditions for

- examinations or assessment
 - sitting examinations/assessments at an alternative site.
- 9. Provide feedback and advice to course coordinators when assessments are found to produce unfair or inconsistent results or to disadvantage students. Provide feedback and advice to lecturers or lecturers' supervisors in the event of a student appeal against assessment results or processes.
- 10. Manage assessment and results by:
 - ensuring that student and staff workload for assessment events is manageable
 - monitoring that assessment processes presented reflect the outcomes of the course as a whole
 - monitoring that criteria applied to the assessment is consistent with the content and outcomes of the course
 - ensuring that course assessment information is in a consistent format
 - ensuring that students receive marking criteria for assessment events prior to the assessment event
 - receiving and reviewing the results of each piece of assessment prior to results being made available to students and final results for each paper.
 - ensuring students receive general feedback identifying common themes, strengths and weakness.
- 11. Recommend all progressions and participate in the identification of college/school/programme student awards, which includes distinction, and merits as well as prizes and trophies.
- 12. Report to and be monitored by:
 - members to ensure internal consistency of decision making
 - Head of College/School/Programme
